

ProBuilder 36 / 42 CF Deluxe GSR2 Cheat Sheet

The new ProBuilder 36CF & 42CF Deluxe fireplaces have several new characteristics that require special attention during installation. **Refer to the manual for full details.**

- These fireplaces offer the choice of two, high definition log sets (Classic Oak and Birch).

YOU MUST CHOOSE A LOG SET TO COMPLETE THIS FIREPLACE.

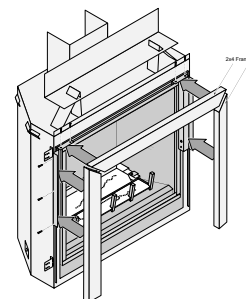

ProBuilder 36CF	Classic Oak sku# 94500625	Birch sku# 94500624
ProBuilder 42CF	Classic Oak sku# 94500771	Birch sku# 94500770

- A blower comes standard with this fireplace.

- The full function SIT Remote comes standard with this fireplace.

- This fireplace is compatible with the CoolSmart TV system (PB36 sku# 98900778 – PB42 sku# 98900779). This kit allows for a TV pocket to be installed or an installation of a TV above the fireplace without a mantel.

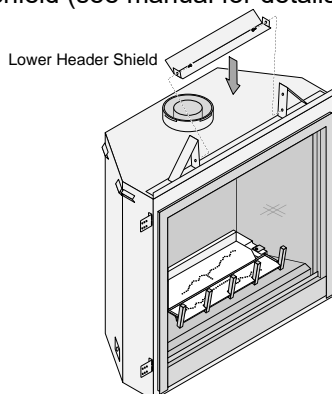

- The fireplace is a TOP VENT ONLY but can terminate horizontally.
- A thick facing template is available to aid in the installation of material thicker than 1-1/2" (sku# 98500701)
- A LP stepper motor is required if using propane with this heater (4-pack = sku# 94400999 or single = sku# 250-01463).
- A wall thimble is included with the fireplace. It is required when penetrating a combustible wall (see manual for details).

PB 42 Only

LOWER HEADERSHIELD - Make sure to install the lower headershield (see manual for details).

REMOVE RIVET SHIELD IF USING FIREBACKS – This component is used to conceal fasteners when no firebacks are used.
